## Damn

My niggas, this Coka Its Crackology 101, nigga I breed you niggas, my sons The penalty is death and I'm inflictin' the torch And the best of the best couldn't mess with the boogie down Bronxster

It's heavy promo catchin' beef with Joe But my man, don't get caught up in these streets alone they'll be heavy chopper firin', motherfuckers is dyin' Niggas is runnin', helicopters is flyin' All these suckers is lyin', tell the Feds that they see me And I was just island hopin' somewhere in Tahiti I think it's called Fiji or somethin' like that

Get your shit pushed, muh'fucker, fuckin' with Crack Catch a 100 in your cap, your brain be by your waistline LV on this track, hell of a bass line Remind me of the times I was servin' them base lines Only Puerto Rican in Harlem, now that's stardom Ghetto celeb, I been since I was younger 100 mill' strong, still dyin' of hunger Under the chinchilla, believe me, the shit's realer This piece'll leave you in pieces and make you sleep better The street's terror, the weak better retreat Man, I keep Berettas for these peoples that creep Fuckin' crazy niggas, Crack, nigga

Damn, those guys are gettin' dough That's why all these gangsters come to Coke We get money, money, you got nothin' from me And if you get caught, nigga, don't mention Joe Damn, those guys are gettin' dough That's why all these gangsters come to Coke We get money, money, you got nothin' from me And if you get caught, nigga, don't mention Joe

I keep hearin' that Crack's the truth Real niggas is screamin', ?Joe, get back in the booth? Yeah, I do it for them niggas that be huggin' the blocks Those jack boys don't give a fuck dumpin' at cops These niggas crazy, some more real They'll get you for everythin', even your Paul Wall grill Yes nigga, it's survival out here These niggas don't even respect the Bible out here It spirals out here, cars and kings too That's the only thing this summer gon' bring you I seen it all, man, they love it when I spit cane

Walk through the middle and speed with the big chain I got 'em sick, man, look how the shit playin' Piss stains yellow Pebble bezel on the wrist, man You ain't Pac, you ain't even a great actor Matter of fact, you is a great actor I'm one O.G. you need to respect Specially if you don't want niggas to see through your chest I caught his momma at the face to face Now she layin' in St. Raymond?s in section 8, nigga

## Fat Joe

Damn, those guys are gettin' dough That's why all these gangsters come to Coke We get money, money, you got nothin' from me And if you get caught, nigga, don't mention Joe Damn, those guys are gettin' dough That's why all these gangsters come to Coke We get money, money, you got nothin' from me And if you get caught, nigga, don't mention Joe Yeah, this goes out to all them niggas Ghetto to ghetto, jails to jails All my niggas playin' the yard right now, doin' pull ups Pumpin' this shit in your headsets, I love you niggas, Crack Otis Ville, you know it's real, Rikers All my niggas holdin' it down All my street niggas, gangster niggas Dope boys, cook
