

(Ha Ha) Slow Down

Fat Joe

It took a keys and Jay-Z to get this city poppin' now
Rob base Snoop Dogg to get it rockin' now
Big money talking, Mayweather, Paquiao
Gucci soft up cause he cant hard top it now
Now what you boys got a death wish
I beat a mothafucka' uglier than precious
Real nigga, you can find me where the x is
Whippin' in the kitchen, both hands ambidextrous
Recession got the hood pushin' more than time clocks
So I dropped a hundred in the streets I don't buy stocks
Tell a little mothafucka' get his shine pa
Good fellas hood fellas living on my block
Nigga got a problem, I solve em (solve 'em)
A couple keys yes nigga we'll rob em (rob 'em)
Got tha 9 milli in my pants, case you niggas wanna dance
Leave a mothafucka' shakin' like Harlem (Harlem)

I said we came in this bitch tonight to murder things
We gonna leave this bitch tonight a murder scene
In black from head to toe we murder clean
Do you know the name of the click that murder teams
What's up?
