Part Deux

How many emcees must get dissed? How many motherfuckin mics I got to rip? Til you are considerate, illegitimate, rap motherfuckers stop talkin your shit!! Yeah Fat Joe, Jealous One's Envy Steppin to the jam niggaz actin all friendly Smilin in my face, and all the whiles they wanna take my fuckin place, them backstabbers, them backstabbers I got some shit for your whole damn crew How the fuck you gon' face a Mac-11 with a twenty-two? And then deliver, I'll shake your shiver and shatter your bones, the modern day Al Capone Step into my zone and get blown He who claims to wear the crown'll get the throne, check it There's many emcees in this world of rap But not too many emcees can fuck with Joey Crack In fact, yo, I be the realest you know With the illest of flows, bustin caps at po-po's

"You gotta flow Joe!" All these niggaz know the time when I come through I shine with these genuine rhymes "Let em know Joe!" What you mean they don't know? I'm representin right now like I represented befo' "You gotta flow Joe!" All these niggaz know the time when I come through I shine with these genuine rhymes "Let em know Joe!" What you mean they don't know? What you mean they don't know? What you mean they don't know?

Many thought it couldn't happen, Joe was never rappin He was always gettin loot off the crack and fuckin with them heavyweights, who had shit sewn in every state The very sight'll make the average man defecate Livin the life of stock, bonds and cars, word bond When I be gone I'll be worshipped like ?Nicky Barnes? It's on, you don't want no confrontation Killer communication, I suffer from multiple lacerations Take a look at Joey Gambino Spilled your chips in the casinos while feastin on shrimp scallapino Niggaz don't want it, word to mother I be that catchin body ese that'll leave that ass six feet under Rappers wonder, where I been since _The Real_ I been plannin my strategy for the next kill Ninety-five for the real live Only the strong survive, that's why I pack a four-five We got, all these actors playin characters and killers Wannabe hammer cockers, but, shit is realer than they think Fuck around and get them clothes ?rentin? Many believe Fat Joe will be the cause of armaggedeon "You gotta flow Joe!"

Fat Joe
