Fat Joe

Yes indeed, What the deal
This is the world famous Kid Capri
up here wit my man Joey Crack
Joey Crack got this new joint coming out
Yo Joey, tell 'em what the name of this joint is

This is for the hoes and bitches

A-yo what about all the young ladies, the positive young ladies

Like I said this is dedicated to the hoes and bitches
Speak on it man

This ain't for the intelligent civilized divas
for all the hoes and bitches who swallow nut by the leisters
Two months pregnant madd dick pokin' the fetus
But she don't give a damn still suckin' dick for sneakers
You know the type, Damn dirty is right she even did it wit dice
And made a dildo of ice
A-yo it's like the hiest
move ya phat ass to gain
And if you love me baby girl give my friends some entertainment (Yo that's
foul Joe)

Hey yo I treat 'em how they act yo
Behave like a hooker and played like a madd hoe
Rumor has it that you take it in the asshole
And wrap ya lips around my dick like a lasso
I love the way you hold that
Joe Crack bozak
While niggas bone that
My stomach's where ya nose at
Just another hoe in the midst
That does more than kiss when we start pourin' the 'cris

All you bitches be fuckin' for money
Playin' niggas but they can't get shit from me
You ain't smokin' my lye
Pushin' my ride and if you ain't fuckin' just walk on by
All you bitches just walk on by

I once knew a girl by the name of Savannah
met her backstage at a show in Atlanta
seemed like a nice girl, class and well-mannered
When I took her to the hotel the bitch went bananas
Did my eyes decieve me
Was she suckin' three pee-pee's
Caught it all on tape so I could watch it late on T.V.
Couldn't wait to beep me
Started in the car shorty caught the quick train from the Trinity stars
Big Joe'll railroad
Any frail hoe
Have a bitch scream and yell throwin' elbows
Now who the hell knows
Why these girls fuck for cell phones
Turnin' tricks for material shit
Now bust it, You wanna hit it gotta pay top dollar
These chics is hott rodders

Wit grips like Rottwilers
But why bother
Picture me payin' a fee
I'll just play like Akinyle and fuck these hoes for free
