

Communist

Fat Ugly Crappy Kids

R: Communist, go to your country back
Communist, go to your country back
Communist, go to your country back
So, go to your fucking country back

1. You've got no power
You've got no rights
You've got no truth
'Cause you're immigrant

R: Communist...

2. You'll work for us
You'll die in front of us
But you still get no rights
'Cause you're immigrant

R: Communist...

3. We don't give a fuck
How you live and how you feel
We will treat you as we want to
Just like fucking piece of shit

R: Communist...

R: Communist, go to your country back
Communist, go to your country back
Communist, go to your country back
So, go to your fucking country back
