

A Pleasant Shade Of Gray, Part I

Fates Warning

Are you listening
Am i here screaming?
Drowning in a silent sea
Or only dreaming?
Drifting in and out
His mind never rests
Lying in shadows
Replaying a thousand regrets
Can you hear me
Am i getting through?
A million miles away
Or here beside you?
Drifting in and out
His heart never forgets
Lying in shadows
Replaying a thousand regrets
And the minutes just pass
As the hours change
And the shifting sands
Slowly rearrange
Drifting in and out
His mind never rests
Lying in shadows
Replaying a thousand regrets
