

## A Pleasant Shade Of Gray, Part I

Fates Warning

Are you listening  
Am i here screaming?  
Drowning in a silent sea  
Or only dreaming?  
Drifting in and out  
His mind never rests  
Lying in shadows  
Replaying a thousand regrets  
Can you hear me  
Am i getting through?  
A million miles away  
Or here beside you?  
Drifting in and out  
His heart never forgets  
Lying in shadows  
Replaying a thousand regrets  
And the minutes just pass  
As the hours change  
And the shifting sands  
Slowly rearrange  
Drifting in and out  
His mind never rests  
Lying in shadows  
Replaying a thousand regrets
