

Goin' downtown
Buy me a forty-four
Goin' downtown
Buy me a forty-four
Bad news this mornin'
Baby don't want me no more
Gonna kill myself
Livin' ain't worthwhile
Gonna kill myself
Livin' ain't worthwhile
When I leave you
Don't want a body to cry
I don't know why
Everything happen to me
I don't know why
Everything happen to me
I could be your groovy
Bad bad which could ruin me
That's why I'm goin'downtown
Buy me a forty-four
I'm goin' downtown
Buy me a forty-four
Bad news this mornin'
Baby don't want me no more
