

Cheatin'

Fats Domino

Baby you know I love you
But I cannot stand the things you do
That's the truth baby
I cannot stand the things you do
Yeah you been cheatin' on for me
But somebody goes cheat on you
I need you baby can't you see
So please give all your love to me
Oh baby please give all your love to me
Yeah you been cheatin' on for me
But somebody goes cheat on you
I need you baby can't you see
So please come and go with me
Oh wee baby baby come and go with me
Yes you been cheatin' on for me
But that's the way it seems to be
