

# I Can't Go on Rosalie

Fats Domino

Rosalie, come back to me  
Rosalie, come back to me  
I'm reeling and I'm rocking like a willow tree

Rosalie, come back home  
Rosalie, come back home  
I might as well confess, I'm blue and all alone

I can't sleep day or night  
Oh I know you're not doing me right  
Please come back and try to stay  
Can't go on this way

Rosalie, come back to me  
I'm reeling and I'm rocking like a willow tree

Rosalie, come back to me  
Rosalie, come back to me  
I'm reeling and I'm rocking like a willow tree

Rosalie, come back home  
Rosalie, please come home  
I might as well confess, I'm blue and all alone
