

# I'll Be Gone

Fats Domino

Yeah I ran off this morning, you're gonna look for me but I'll be gone

(Don't go Fat Man, don't go Fat Man!)

Yeah I ran off this morning, you're gonna look for me but I'll be gone

(Don't go Fat Man, don't go Fat Man!)

'Cause where I've been mistreated, I ain't gonna stay that long

(You know she loves you, you know she loves you)

Yeah she told me that she's all mine, that no other would take my place

But I know that she was lyin' from the fresh sheets on her bed

Yes I know you lied to me darlin', but you won't have to lie to me no more

(She wasn't lying, she wasn't lying)

Yeah when a woman starts lyiong, somebodys got to go

(Bye bye Fat Man, bye bye Fat Man!)

So good bye baby, I tried my best to get along with you

(Bye bye baby, bye bye baby)

So good bye baby, I tried my best to get along with you

(Bye bye baby, bye bye baby)

I know I'm gonna miss you and I hope you'll miss me too
