

# It's the Talk of the Town

Fats Domino

I can't show my face, can't go anyplace.  
People stop and stare, it's so hard to bare.  
Everybody knows you left me,  
It's the talk of the town

Every time we meet, my heart skips a beat.  
We don't stop to speak, though it's just a week  
Everybody knows you left me,  
Mmmm it's the talk of the town

We sent out invitations  
To friends and relations announcing our wedding day  
Friends and our relations gave congratulations,  
How can you face them, what can you say  
Let's make up sweetheart, we can't stay apart.  
Don't let foolish pride keep you from my side  
How can love like ours be in a mess?  
It's the talk of the town

We sent out invitations  
To friends and relations announcing our wedding day  
Friends and our relations gave congratulations,  
How can you face them what can you say  
Ah, I wanna make up sweetheart,  
I don't wanna stay apart  
Don't let your foolish pride,  
Don't let it keep me from your side  
How can love like your be in a mess,  
It's the talk of the town.
