Let the Four Winds Blow

Fats Domino

I like the way you walk I like the way you talk Let me hold yo' hand Try to understand

I want a girl like you Tell my troubles to You won't be afraid You heard what I said

Let the four wind blow Let 'em blow, let 'em blow From the east to the west I love you the best

Let the four wind blow Let 'em blow, let 'em blow From the east to the west I love you the best

I like the way you walk I like the way you talk Let me hold yo' hand Try to understand

I want a girl like you Tell my troubles to Don't be afraid You heard what I said

Let the four wind blow Let 'em blow, let 'em blow From the east to the west I love you the best

Let the four wind blow Let 'em blow, let 'em blow From east to the west I love you the best
