

Mary, Oh Mary

Fats Domino

Little Mary, my baby
Don't you hear me callin you
Little Mary, my baby
Don't you hear me callin you
You got me reelin and rockin
Don't know what to do
What to do

I want you, I need you
You got me spinning like a top
I want you, I need you
You got me spinning like a top
It will stop

If you don't love me
I believe my heart will stop
I'm cryin, the sun is shinin
But its rainin in my heart
I'm cryin, the sun is shinin
But its rainin in my heart
You got me reelin and rockin
Since you and I been apart
Been apart

Little Mary, my baby
Don't you hear me callin you
Little Mary, my baby
Don't you hear me callin you
You got me reelin and rockin
Don't know what to do
What to do
