Day is ending
Birds are wending
Back to the shelter of
Each little nest they love

Nightshades falling Lovebirds calling What makes the world go round? Nothing but love

When Whip-poor-wills call And ev'ning is nigh I hurry to My blue heaven

I turn to the right A little white light Will lead you to My blue heaven

You'll see a smiling face,
A fireplace,
A cozy room
A little nest
That's nestled where
The roses bloom

Just Mollie and me And baby makes three; We're happy in My blue heaven

doo doo doo doo da da da da da da

You'll see a smiling face A fireplace, A cozy room A little nest that's nestled where the roses bloom

Just Mollie and me And baby makes three; We're happy in My blue heaven

We're happy in my blue heaven
