

# Thinking of You

Fats Domino

Oh mother dear  
I'm sad and I'm blue  
Everything I do  
Remind me of you

Yes I want you to know  
That I need you so  
You're on my mind  
Everywhere I go

Yes I dreamed last night  
That you were near  
And with my thoughts  
I had no fear

Oh mother dear  
I'm sad and I'm blue  
Everything I do  
Remind me of you
