

Whole Lotta Loving

Fats Domino

I got a whole lotta loving for you
True, true love for you
I got a whole lotta loving for you

I got a whole lotta, for you
Whole lotta, for you
I got a whole lotta kisses for you

I got a whole lotta, to do
A whole lotta, to do
And I'm so glad to see you

I got a whole lotta loving for you
True, true love for you
I got a whole lotta loving for you

I got a whole lotta, for you
A whole lotta, for you
I got a whole lotta kisses for you

I got a whole lotta, to do
I got a whole lotta, to do
'Cause I'm so glad to see you
