

## You Win Again

Fats Domino

The news is out, all over town  
That you been seen, out running round  
I know that I should leave, but then  
I just can't go, you win again.

This heart of mine could never see  
What everybody knew but me  
Just trusting you, was my great sin  
What can I do, you win again.

This heart of mine could never see  
What everybody knew but me  
Just trusting you, was my great sin  
What can I do, you win again.
