

## Cross Patch

Fats Waller

Cross patch how can anyone be so cross  
Won't you tumble off your high horse  
You know you love to be loved  
Cross patch, if you feel the wind change, they say  
It will make your face stay that way  
And then you'll never be loved

Cultivate a smile sweet and sunny  
You can catch a fly with honey  
You're actin so spoiled  
Shame, shame, everybody knows your name  
Cross patch don't you know it takes two to fight  
Won't you kiss and make up tonight  
You know you love to be loved
