

I Love To Whistle

Fats Waller

I love to whistle cause it makes me merry Makes me feel very (w
histle) I love to yodel ev'rywhere I go Yo-da-ley-ee, yo-da-lay
-ee-oh Early to bed, early to rise Makes you healthy, wealthy,
and wise But I found out, I know it's true A whistle does much
more for you So I love to whistle Troubles won't come near me S
pecially when they hear me (whistle)
