Little Curly Hair In A High Chair

Fats Waller

Little curly hair in a high chair What's your order for today Little curly hair in a high chair I'll do anything you say When you're near the room seems to brighten The sun comes streaming through you're eyes You're the reason they still keep writin' All those tender lullabies Hm, there you go Bangin' with your blocks Pullin' off your socks Hm, there you go Tryin' to make your toes Touch your baby nose Heaven's close to your chair and my chair When you smile the way you do Little curly hair in a high chair My day begins and ends with you
