

# You're Not The Kind

Fats Waller

You say you're falling in love with me  
That's why I sit here and cry  
For that is something that never can be  
And here's the reason why

For you're not the kind of a boy (girl) for a girl (boy) like me  
'Cause I'm just a song and a dance, you're a symphony  
You say that you never would doubt me  
Well, I'm tellin' you, you'd be much better off with out me  
'Cause I'm just the kind of a girl (boy) who would never play fair  
And you're just the kind of a boy (girl) who would always be square  
It's so hard to let you go but it's only because I know  
That you're not the kind of a boy (girl) for a girl (boy) like me

For you're not the kind of a boy (girl) for a girl (boy) like me  
'Cause I'm just a song and a dance, you're a symphony  
You say that you never would doubt me  
Well, I'm tellin' you, you'd be much better off with out me  
'Cause I'm just the kind of a girl (boy) who would never play fair  
And you're just the kind of a boy (girl) who would always be square  
It's so hard to let you go but it's only because I know  
That you're not the kind of a boy (girl) for a girl (boy) like me
