You say you're falling in love with me That's why I sit here and cry For that is something that never can be And here's the reason why

For you're not the kind of a boy (girl) for a girl (boy) like m e

'Cause I'm just a song and a dance, you're a symphony You say that you never would doubt me

Well, I'm tellin' you, you'd be much better off with out me 'Cause I'm just the kind of a girl (boy) who would never play fair

And you're just the kind of a boy (girl) who would always be sq uare

It's so hard to let you go but it's only because I know That you're not the kind of a boy (girl) for a girl (boy) like me

For you're not the kind of a boy (girl) for a girl (boy) like m

'Cause I'm just a song and a dance, you're a symphony You say that you never would doubt me

Well, I'm tellin' you, you'd be much better off with out me 'Cause I'm just the kind of a girl (boy) who would never play fair
