

Bliss is all around me now
La, la, la, ya hoo, la, la, la, ya hoo
With it I draw the stars to the ground
La, la, la, ya
With it I draw the stars to the ground
La, la, la, ya
What bliss!
La, la, la, ya
With it I draw the stars to the ground

Bliss is within you stare
La, la, la, ya hoo, la, la, la, ya hoo
With it I draw the stars to the ground
La, la, la, ya
With it I charge the very air
La, la, la, ya
What bliss!
La, la, la, ya
With it I charge the very air
