

# Lullaby For Consciousness

Faun Fables

There is that sound in my brain  
Whose unrest is my pain  
Calling my attention, caught in three dimension  
Demanding one wiht whom I must play

Spinning around my heart  
Tells me things, hard to settle down  
But I will help it rest, calm it's stress  
Sing this song till slepp does the rest

Hey  
Ah, ah, ah, ooh  
Ah, ah, ah, ooh

Sleep now  
Conscious  
Sleep now  
Conscious

Sometimes I get worried  
Sometimes I get worried  
Sometimes I get worried  
Sometimes I wonder if I ever will find  
Sometimes it seems strange to be feeling strange  
Sometimes I wonder  
But I know it's only

The sound of consciousness on my brain  
The sound of consciousness on my brain  
The sound of consciousness on my brain  
The sound of consciousness on my brain  
I can hear it

Ooh  
Ooh  
Ooh, ooh  
Ooh  
Ooh

Ah, ah, ah, ooh  
Ah, ah, ah, ooh

Go to  
Sleep now  
Conscious  
Sleep now  
Conscious  
Ah, ah, ah, ooh  
Ah, ah, ah, ooh
