

Mother Twilight

Faun Fables

Wooh, ooh, ooh, ooh, ooh

Wooh, ooh, ooh, ooh, ooh

Wooh, ooh, ooh, ooh, ooh

I remember
When I got here
And I'll have
To leave again

My home
After sunset
An ultra-
Violet friend

Some beats
Find shelter
And children
Come in

They close
Their windows
As night
As night
Sets in
Sets in

Ah, ah, ah, ah

Mother twilight

Ah, hoo
Ah, hoo

Ah, la, da, da
Ah, la, da, da, da
Ah, la, da, da, da

Ah, la, da, da, da
Ah, la, da, da, da
Ah, la, da, da, da

All the forces
Driven by
Unseen things

All the forces
Driven by
Unseen things

If you
Fear dying
Come
To her and rest

Telling

The story
While safe
Upon her breast

There's a figure
Out walking
When the world
Come to it's end

Just left
Her house drifting
To see that ultra-
Violet friend

Mother twilight
