

## Pearl

Faun

I saw her once and then no more  
't Was Edens Light on earth a while  
She passed along the meadow floor  
Spring seemed to smile  
And then no more

Ah! What avail my magic lore?  
She shone before my eyes awhile  
My peace is wrecked on Beauty's shore  
I saw her once and then no more

Oh might I see, her once again  
Death would soon heal this heart  
Now sad ans sore, would beat anew  
A while and then no more
