## Let It Go

Fauxliage

I'll begin to let you go When the sunlight melts the snow Every night I drive away from you I see the mountains I have yet to move

And you there You don't care I wonder if you

Wanted me like i wanted you It's a lonely truth That I can't change you And you sure can't change me

It's hard as hell tonight to sleep To close my eyes would be admitting my defeat

And you there You don't care I wonder if

Wanted me like I wanted you It's a lonely truth That I can't change you Find More lyrics at www.sweetslyrics.com And you sure can't change me
