

It's A Hit

Favez

Hello light we know it's been a long time
Tell us how we've been
Tell us all about walking a thin line
And how we won't give in
Tell us all about life
And how in the end we always win

We wrote a million songs of sorrow
We've only come so far
We'll sing them all again tomorrow
Cause this is how we are
But just for now we get a holiday in the sun
We'll sing a song for everyone

It's a hit, it's a hit
It's a good old fashion hit
We'll spend hours blind
We'll be dreaming all the time

It's a hit, it's a hit
The colours will fade and then we'll quit
But for now it's fine and it's summer all the time
For the good life

Hello light we know it's been a while but in the end
It's getting better all the time

It's a hit, it's a hit
It's a good old fashion hit
We'll spend hours blind
We'll be dreaming all the time

Sugar honey baby

It's a hit, it's a hit
The colours will fade and then we'll quit
But for now it's fine and it's summer all the time

It's a hit, it's a hit
It's a classic we can quit for the good life
