## It's A Hit

Hello light we know it's been a long time Tell us how we've been Tell us all about walking a thin line And how we won't give in Tell us all about life And how in the end we always win

We wrote a million songs of sorrow We've only come so far We'll sing them all again tomorrow Cause this is how we are But just for now we get a holiday in the sun We'll sing a song for everyone

It's a hit, it's a hit
It's a good old fashion hit
We'll spend hours blind
We'll be dreaming all the time

It's a hit, it's a hit The colours will fade and then we'll quit But for now it's fine and it's summer all the time For the good life

Hello light we know it's been a while but in the end It's getting better all the time

It's a hit, it's a hit
It's a good old fashion hit
We'll spend hours blind
We'll be dreaming all the time

Sugar honey baby

It's a hit, it's a hit The colours will fade and then we'll quit But for now it's fine and it's summer all the time

It's a hit, it's a hit
It's a classic we can quit for the good life
