Can't Let Go

Can't can't can't go Can't can't can't go Can't can't can't go Can't can't can't go Can't live a day without you baby Oh no... If you're not here I don't know what I'm living for You stared right in my eyes and said Go slow 'Cause you've been hurt real bad not once but twice before IIII I don't wanna fi-i-i-ight You wanna say you trust me now but then you go and change your mind Whyyy?... Do it every ti-i-i-ime... Just because he hurt you bad it's in the past I just wanna love you right then She said don't let go 'Cause I've been hurt before Said I've been hurt before Yes, I've been hurt before So I said oh no no no No, I won't let you go No, I won't let you go No, I can't let you go I can't let go Even if I tried I can't, I can't sleep at night Swallow my pride and let it die 'Cause I I can't let go Even if I tried I can't, I can't sleep at night I can't, I can't say goodbye 'Cause I I can't let go Can't can't can't go Can't can't can't go Can't can't can't go Can't can't can't go Nobody seems to understand Why I stay When I know you'll end up pushing me away You got me working overtime all day And just to see that pretty smile upon your face IIII I don't wanna fi-i-i-ight You wanna say you trust me now but then you go and change your mind Whyyy?... Do it every ti-i-i-ime Just because he hurt you bad it's in the past
