

# Never Ever

Faydee

If I don't, if I don't tell you I love you  
That, that, that don't, that don't mean I don't care

Drop that bass!  
'Bout to get it started now wit your boy  
It's da F da A da Y D double E,  
Go!

Baby, I ain't trying  
To make you feel the way you do  
Baby, baby you need to get it out of your head  
Your insecurities ain't gonna do  
Baby, baby you should know by now  
There's nothing I won't do for you (I'll do whatever)  
Cause baby you should know by now  
Whatever it is we go through I'll make it better

If I don't, if I don't tell you I love you  
That, that, that don't, that don't mean I don't care  
And you should know by now I adore you  
And baby I ain't going nowhere  
You don't have to worry, I have got your back now  
He ain't nothing like me, he ain't nothing like me  
I will never hurt ya, I can never see you cry  
I will never leave ya, I will never say goodbye

Never ever, never ever, will I ever, ever say goodbye  
Never ever, never ever, will I ever, ever say goodbye

Never will I be the one  
That puts you through the pain (never will I)  
And never will I be the reason  
A tear falls down your face  
'Cause baby you should know by now  
There's nothing I won't do for you (I'll do whatever)  
'Cause baby you should know by now  
Whatever it is we go through I'll make it better

If I don't, if I don't tell you I love you  
That, that, that don't, that don't mean I don't care  
And you should know by now I adore you  
And baby I ain't going nowhere  
You don't have to worry, I have got your back now  
He ain't nothing like me, he ain't nothing like me  
I will never hurt ya, I can never see you cry  
I will never leave ya, I will never say goodbye-bye

I talk to you, you talk to me (I talk to you)  
And baby I ain't going nowhere (I ain't going nowhere)  
I run to you, you run to me (Don't you forget it)  
So don't you never ever forget (Don't you forget it)  
Don't you forget it

If I don't, if I don't tell you I love you (baby)  
That, that, that don't, that don't mean I don't care (baby)  
And you should know by now I adore you  
And baby I ain't going nowhere

You don't have to worry, I have got your back now  
He ain't nothing like me, he ain't nothing like me  
I will never hurt ya, I can never see you cry  
I will never leave ya, I will never say goodbye-bye

Never ever, never ever, will I ever, ever say goodbye  
Never ever, never ever, I will never leave ya, I will never say goodbye-bye

It's da F da A da Y D double E

Never ever, I will never say (never say) goodbye-bye-bye
