

# Never Saw Me Coming

Faydee

hey

does it take you back? when you used to look down on me?

and now your looking up to me

( i wouldnt've done it without you)

[VERSE1]

first of all, thankyou for giving me

all of the misery

i aint your company, no more

even though you were never good to me

you were so good for me

( i wouldnt've done it without you)

[PRE-CHORUS]

why you looking at me like im crazy?

(weren't you the one who)

told me that im never gonna make it

the fact you regret it

what were you expecting?

the look on your face

speaks a thousand words

[CHORUS]

i bet you never saw me

coming up, up, up

bet you never saw me

coming up, coming up

saw me

coming up, up, up

bet you never saw me

coming up, coming up

[VERSE 2]

suddenly,

you look at me differently

surely convincing me

that you always believed in me

(now)

the only word

that i ever heard from you

(when)

i tried to reach to you

(when)

i really needed you

(was now)

[PRE-CHORUS]

why you looking at me like im crazy?

(werent you the one who)

told me that im never gonna make it

the fact you regret it

what where you expecting?

the look on your face

speaks a thousand words

[CHORUS]

i bet you never saw me

coming up, up, up

bet you never saw me

coming up, coming up

saw me

coming up, up, up

bet you never saw me

coming up, coming up  
[BRIDGE]  
(oooo)  
girl we're like the angels sent  
from beneath  
everything you did  
was bitter sweet  
the greatest combination  
i could ever ask for  
(help me find what i need)  
you showed me hate  
(you showed me hate)  
i searched for love  
(i searched for love)  
you made me weak  
(you made me weak)  
i toughened up  
you put me down in every way  
but thats okay  
cause im on my way  
[CHORUS]  
saw me  
coming up, up, up  
bet you never saw me  
coming up, coming up  
saw me  
coming up, up, up  
bet you never saw me  
coming up, coming up  
i bet you never saw me  
coming up, up, up  
bet you never saw me  
coming up, coming up  
saw me  
coming up, up, up  
i bet you never saw me  
coming up, coming up  
never ever x4
