

Stay Weird

Fear Before The March Of Flames

it's on the tip of my tongue (the tip of my tongue)
as you bring me life to this world
i don't know how we'll ever repay you for this but,
life holds its own rewards
this time we're taking over!!
i don't think you understand
what i'm saying but you'll find your own meaning,
this time were talking over
you don't know what you've given us,
i don't think you understand
what i'm saying but you'll find your own meaning,
this time were talking over,
you don't know what you've given us
i don't know how we'll ever repay you for this but,
life holds its own rewards,

(some people keep their word
like a three legged dog keeps pace,
some three legged dogs,
they don't come in last,
but most don't finish the race)

this time were taking over!!
i don't think you understand
what i'm saying but you'll find your own meaning,
this time were taking over,
you don't know what you've given us,
today, i'm betting on myself!
today, i'm giving all i have!
