

## Dark Bodies

Fear Factory

Dark bodies floating in darkness  
No sign of light ever given  
Imprisoned in a world without a memory  
Unconscious, or am I conscious?  
Cut from the heart I am part of  
Sometimes I feel as though I'm frozen in heaven

And I saw my own face in the dark and loneliness  
And I saw my own face like a spark frozen in heaven

In dreams I see myself flying  
Closer to the sun, and I'm climbing  
Tried to touch the sun  
But the brightness burned my eyes  
Unconscious, or am I conscious?  
Fell from the sky like a star  
Sometimes I feel as though I'm frozen in heaven

And I saw my own face in the dark and loneliness  
And I saw my own face like a spark

Dark  
My life was so dark...  
My mind was so dark...  
Everything was dark

Unconscious, or am I conscious?  
Fell from the sky like a star  
Sometimes I feel as though I'm frozen in heaven

And I saw my own face in the dark and loneliness  
And I saw my own face like a spark frozen in heaven  
Dark bodies floating in darkness...
