

## Dog Day Sunrise

Fear Factory

Dog Day Sunrise  
Every day of my life  
I'm working on a scheme  
Working overtime underground  
Girls work under floors  
The failures tend the moors  
But once the seem is cut  
They find out what is learned

Drag your feet through hollow streets  
Drag your feet through hollow streets  
Drag your feet through hollow streets  
Drag your feet through hollow streets
