Invisible Wounds (Dark Bodies)

Fear Factory

dark bodies floating in darkness no sign of light ever given imprisoned in a world without a memory unconscious, or am i conscious? cut from the heart i am part of sometimes i feel as though i'm frozen in heaven

and i saw my own face in the dark and lonliness and i saw my own face like a spark frozen in heaven

in dreams i see myself flying closer to the sun, and i'm climbing tried to touch the sun but the brightness burned my eyes unconscious, or am i conscious? fell from the sky like a star sometimes i feel as though i'm frozen in heaven

and i saw my own face in the dark and lonliness and i saw my own face like a spark

dark

my life was so dark...
my mind was so dark...
everything was dark

unconscious, or am i conscious?

fell from the sky like a star

sometimes i feel as though i'm frozen in heaven

and i saw my own face in the dark and lonliness and i saw my own face like a spark frozen in heaven dark bodies floating in darkness...
