

**W.O.E.**

**Fear Factory**

Caught beneath visions of hatred  
Drowning fast in sounds of silence  
Caught between divisions of hate  
Can't breathe under this weight of existence

Too strong,  
Too strong for you  
Too strong,  
Too strong for you

Too strong,  
Too strong for you  
Too strong,  
Too strong for you

Drowning  
Drowning  
Drowning  
Drowning {X2}

Too strong,  
Too strong for you  
Too strong,  
Too strong for you
