Accelerate Or Die

Fear My Thoughts

This world is changing it's appearance every single day We're the ones that are faced to adjust You have to keep up with the pace you constantly bear Or you will lose your place

You'll only get this one attempt to try Accelerate or die

We cannot wait for you to learn the things you need to know You have to follow our advice Evolution forces us to terminate what's old and slow They'll be wiped away

So don't forget, don't ask for reasons why

Accelerate or die
