

## Clown Industry

## Fear Of Domination

Violence cover the whole world  
silicons are everything the matters anymore  
morale corrupted, easily forgotten  
and people keep waiting for more...

...always for more

And more, more, more!

ENTERTAIN!  
WE ARE THE ONES WITHOUT A NAME  
WE ARE THE ONES WITHOUT A SHAME  
WE ARE A PRODUCT OF INDUSTRY  
THE CLOWNS OWN INDUSTRY

Macabre and comedy, is there a difference?  
sex sells and money rules all over the world  
fists explain, tongues hurt  
And clowns keep waiting for more...

...always for more

This world is getting raped again  
and time goes in the hourglass  
this world is burning again  
and clowns only sit back
