

Mistake In Evolution

Fear Of Domination

Talk, talk, talk, talk. Countless words
yet still nothing more than curse. Is
talk all you do in your life? I think
I'm allergic to the lines your mouth
spills. And to all the fucked up truth

White sheets for the dead
bullets for the living

Fuck, fuck, fuck, fuck. Only sexual
control and domination. We are
animals, we are the perfect people

HUMAN IS JUST AN ANIMAL,
WITH ANIMAL INSTINCTS
ANIMAL ACTS LIKE A HUMAN,
IS LIKE A HUMAN, LIVES LIKE A MAN
SO TELL ME WHO COULD BE ME
I WOULD LIKE TO BE SOMEBODY
WE ARE EVOLUTIONS MISTAKE

Suck, suck, suck, suck. Baby I'm
not done, so gimme more. I want
to feel to be somebody. We are the
ugly ones, the ones who bring the
filth to this world. The mistake in
Evolution

Lick, lick, lick, lick. You should wipe
your own ass. That's not my work to
do. I think I'm amused of the beauty
of the world. It's fragile like ice

DID YOU FEEL LIKE AN ANIMAL,
YOU TOOK THEIR LIVES AWAY.
YOUR ACT WAS A FAKE FOR NATURES
SAKE, YOU LITTLE SNAKE...
