Perfect World

Fear Of Domination

Here we live in a world of insanity It's just sex, sex, sex 'n' drugs with skinny models Filthy pervs masturbate for pedophilia Here we live in a world of insanity

Hate, greed, jealousity The marks of human nature Murder, robbery, terrorism The acts of human nature

Come, come to live in our perfect world! This is a world of sex, drugs 'n' death!

Welcome to our world of insanity It's just guns, guns, guns 'n' violence With martyrs of faith News bring nothing more than terror So welcome to our world of insanity
