

33rd & 3rd

Fear

I'm feeling alright
My baby gave me the word
I'll see her today at 33rd & 3rd
Snappin the bong
To get the mood
Cause I heard
That's where lovers meet at
33rd & 3rd
Maybe I'll
Take her to New Jersey and
Maybe I'll
Take her to the zoo
Maybe I'll
Have hot sex
In a flop house
And maybe I'll
Be finding love
And makin love
That's true but
What if we
Don't get along
And things start goin'
Very wrong
And it might not
Be so much fun
And maybe I'll
Just have to
Mellow out or something
What if we
Do get along
With someone always
Hangin on
I start to think
What have I done
And maybe I'll
Just have to
Mellow out or something
Maybe I'll
Take her to the Empire State Building
Maybe I'll
Take her to the zoo
Maybe I'll
Take her to the village the cafe bizarre
And maybe I'll
Be finding love
And making love
That's true but
