

Another Christmas Beer

Fear

Fighting malls with
Christmas balls to
Get my shopping done
Lay away
Don't have to pay
Till after January one
It's no doubt I'm
Broke flat out soon
Tax time will be here
I think I'm gonna
Have to have
Another Christmas beer
Relatives are headed here
From up in Tennessee
In-laws bound for Austin
That I ain't never seen
Well
Jingle Bells
Who needs motels cause
They're all stayin' Here
Christmas morning
Rolls around
God bless us everyone
Presents beneath
The Christmas tree
Guitars, fishing rods and
Guns
Yuletide tubs of
Icy buds when the
Family gather near
