

Foreign Policy

Fear

Elimate the incompetents!
Differences don't exist in harmony!
Survival is superiority.
We don't need no hands across the sea!

We've got...

Foreign policy (3x)

The lines are drawn!
Establish the new order!
Suspect everyone
Know your enemies! Know your enemies!

We've got...

Foreign Policy (3x)

Hatred is purity!
Weakness is disease!
Where we bury you
It's manifest destiny!

We've got...

Foreign Policy (3x)
