

Lost in Los Angeles

Fear

I can't seem to
Find my way
I feel alone
An drawn from pain
The love I lost
Sent me away
My baby's gone
And I'm in L.A.
Lost in Los Angeles
I'm lost in Los Angeles
In pain I wander
Aimlessly
Hope she'll return
Her heart to me
Lost in L.A.
Where I belong
Forgiveness craved
But none did come
Lost in West Los Angeles
Lost in East Los Angeles
