

Wasted on the ground  
The night's just begun and he's passing out  
He's the life of the party, he'll never change  
He lives every moment to the extreme  
He's a badass, haven't you heard?  
He's got a one-way ticket to the underworld  
This guy's as tough as nails  
Wakes up to his surprise  
He's had another wet dream  
But he's 25  
He couldn't get a girlfriend to save his life  
Even on a website!  
He still lives at home with his mom  
And his best friend calls him DRAGON WARRIOR  
This guy's on level 305 on Candy Crush  
Never look him in the eye  
'Cause he will fuck you up  
He's a badass  
Haven't you heard?  
He's got a one-way ticket to the underworld  
They say he's wild!  
He's tough!  
This guy is dangerous!  
He's got a one-way ticket and he's never coming back  
So lock your doors  
Here comes the one-man wolf pack  
He's on the loose and he's breaking all the rules  
And he says  
"Fuck your rules, I'll live my life  
The way I want, there's no turning back  
Fuck your world, I'll live my life  
The way I want, 'til the day I die"  
He's a badass  
He's a renegade  
There's a fire in his eyes  
No one can tame  
He's a badass  
Haven't you heard?  
He's got a one-way ticket to the underworld  
They he's wild!  
He's tough!  
This guy is dangerous!  
He's got a one-way ticket to the underworld  
He's dangerous
