

Outta My Way Satan... GARD!

Feed Her to the Sharks

Will I fall to pieces?
Standing strong
Hope is all that remains
I have shed my blood
I have wept these tears
Am I forsaken?
Am I set to fail?
My dreams are yet to become reality
And my time is running out
Searching for the answers
Hoping for a change
How long...
Until my world comes crashing down?
Will I fall to pieces?
On this darkest day...
Will I rise from ruins?
To victory...
Will I fall to pieces
On this darkest day
Will I rise from ruins
To victory
I WILL NOT REST
I WILL NOT SLEEP
UNTIL THIS CURSE IS LIFTED FROM ME!!
And I will not
Spend another day
In this Hell
Will I fall to pieces
On this darkest day
Will I rise from ruins
To resurrect my dreams?
I'll never fucking burn in hell!
