

Love is All I Got

Feed Me

Now love is all I've got
I can live
Love is all I've got
Only love in my life
Love is all

Love is all I've got now
Love is all I've got
I can live
Love is all I've got
Only love in my life
Love is all

Love is all I've got
Love is all I've got
Live life with love and trust that love will come down to earth
And save us all

Love is all I've got
I can live with everything I've lost
Because love will come to save us all
So save us all

Wake your soul with love in the morning
Feed your soul with love till the evening
Expand your soul with love on the weekend
Cause love is all I've got
Wake your soul with love in the morning
Feed your soul with love till the evening
Expand your soul with love on the weekend
Cause love is all I've got

Wake your soul with love in the morning
Feed your soul with love in the evening
Expand your soul with love on the weekend
Cause love is all I've got.
Wake your soul with soul in the morning
Feed your soul with love till the evening
Expand your soul with love on the weekend
Cause love is all I've got

My darling I can give you what you want if what you want is love
Darling I can give you what you want
If what you want is love
So save us all

I can give you what you want
If all that you want is love
And baby I can give you what you need
If all that you need is my love

Wake your soul with love in the morning
Feed your soul with love till the evening
Expand your soul with love on the weekend
Cause love is all I've got

Wake your soul with love in the morning

Feed your soul with love till the evening
Expand your soul with love on the weekend
Cause love is all I've got

Wake your soul with love in the morning
Feed your soul with love till the evening
Expand your soul with love on the weekend
Cause love is all I've got

Wake your soul with love in the morning
Feed your soul with love till the evening
Expand your soul with love on the weekend

So save us all

I can give you what you want
If all that you want is love
And baby I can give you what you need
If all that you need is my love

I can give you what you want
If what you want is love
And baby I can give you what you need
If all that you need is my love
