

## Empty Mirrors

## Feed the Rhino

So you think you're better by yourself  
And do you think you're better now?  
So you think you're better by yourself  
And do you think you're...

Stare, straight, down,  
Now that it's in you, in you  
Stare, straight, down...

Empty, mirrors,  
Empty, mirrors, oh...

Empty, mirrors,  
Empty, mirrors,  
Stare!  
Straight!  
Down!
